Dear Daddy:

Last week was vacation and we had very much fun.

It is your birthday so I am sending to you all my happiness and also Happy Birthday!

Just the day before your birthday Abe Lincoln died. Do you remember?

We all had typhoid shots and got a little sick.

Mother is very busy and so she cannot write to you.

We are packing up now.

Faded handwritten text, likely bleed-through from the reverse side of the page. The text is mostly illegible due to fading and the texture of the paper.
