A fun-day golf-day for all 1000 Club members in good standing and their spouses whether their skill range in the duffer or expert class, will be held at the Jefferson Park Course Sunday, Aug. 15. SUSAN ISHIMITSU QUEEN OF THE SEAS

Miss Susan Rene Ishimitsu was selected July 29 as the Seattle Seafair's "Queen of the Seas" at the Seattle Center Arena. Miss Ishimitsu was the Greater Seattle Japanese Community Queen sponsored by the Japanese American Citizens League. More than 37 competed. She will preside as the official VIP for the City of Seattle throughout the 67 official Seafair events and various events throughout the state where Seattle is represented. She will also represent Seattle in Aloha Days in Honolulu and Portland Rose Festival.

"I didn't plan on it at all," said Miss Ishimitsu after she was announced as the new Miss Seafair. "It's like a dream," said the 5 feet 2 inches 20-year-old Univ. of Wash. senior in medical technology. She hopes to enter medical school. She maintains 3.7 grade point average in her studies while employed part time as a sales-person at Southcenter Bon Marche.

One of the four children, Miss Seafair is the daughter of Mrs. Victoria Ishimitsu and the late Sad Ishimitsu. She has two sisters, Sandra, 18, Nancy 16, and a brother, John, 14.

Already Miss Ishimitsu has presided over many Japanese ceremonial functions. She attended the Bon Odori classes as did Princess Julie Maya Kusakabe and at the Bon Festival they danced together with the whole Seattle Seafair Princesses. Seafair Queen Susan was a picture of poise and beauty riding the official Queen's Float during the traditional Seafair Torchlight Parade.

FROM THE BOARD:

Acknowledgment: Paul Horiuchi \$100.00 on the occasion of his receiving Japan's 6th Order of the Sacred Treasure for his contribution to furthering friendship between United States and Japan. The Seattle Chapter JACL gratefully acknowledge the generous donation.

Membership: Chairman Sam Shoji said the drive has hit 684 which is well ahead of last year's pace. More membership for this year will be forthcoming when the One Thousand Club membership becomes due throughout the year. Sam is doing an excellent job as chairman and his wife Haruko helps with all the necessary paper work. Thanks.

Flood Victims: Japanese American families were among those caught in Idaho disaster. On June 5 the Bureau of Reclamation built dam on Teton River collapsed causing great loss of life and property. Contributions may be sent to: JACL Disaster Relief Fund c/o Mrs. Yuki Harada, Route 1, Box 172, Firth, Idaho 83236.

PNWDC: Gov. Ed Yamamoto is still looking for recording secretary. Mrs. Edna Ellis of Puyallup Valley chapter continues to carry the load in spite of the expiration of her terms. Anyone interested in the district council position shall contact John Matsumoto.

Use of JACL Office: No one in the board of July 21 meeting of JACL was able to pinpoint who gave the authorization and the use of key for the June 27 showing of Sanrizuka farmers near Tokyo using human chains and defensive rampart. The film was entitled "Peasants of the 2nd Fortress" and was also shown at Guggenheim Hall (U.W.) and at Blaine Memorial United Methodist Church. There were strained feelings as the showing was taken to be a JACL project. JACL was not the sponsor. President Matsumoto hopes to tighten the procedure for the use of office space which will cause association of JACL with any special interest group project not endorsed by JACL.

Rev. Andrews Memorial Scholarship Fund: President John Matsumoto introduced the concept of expanding the \$100.00 per year to a more substantial Rev. Emery E. Andrews Memorial Scholarship Fund. Ted Taniguchi moved that separate account be established for such fund. The motion passes. No solicitation will be made at this time.

National JACL Convention Report: President Matsumoto gave a lengthy summary. He said there will be no more regional office as known in the past. Regional Director Stan Kiyokawa has tried very hard. \$90,000 fund has been allocated and Pacific S.W. District receives \$27,000. They hope to raise the remainder of the fund on their own. Certification of Appreciation was given to Gov. Daniel J. Evans and former Executive Assistant to the Governor Jim Dolliver, now a Justice of the State Supreme Court. Certificate of Appreciation was

The Mt. Baker Convalescent Center has been Purchased by Issei Concerns, a Japanese community-based organization, which will operate the facility under the new name of Seattle Keiro Home to provide skilled and intermediate nursing care for elderly Japanese on a non-profit basis. The sale price was \$300,000 for the 63-bed nursing home, located at 1700 24th Ave. S. The purchase was consummated following the issuance of a certificate of need by the Washington State Department of Social and Health Services.

"There has been a long-time need in the local Japanese Community for a nursing home to cater to the special ethnic requirements of our elders," said Tomio Moriguchi, president of Issei Concerns. "We feel that Seattle Keiro, with its bilingual administrative and nursing staff, will be able to meet the health care, physical, social and psychological needs of the aged Issei (first generation Japanese).

"The word 'Keiro' translates as 'respected elders' in Japanese, a term deemed appropriate by our group, which is comprised mostly of Nisei motivated by concern for the welfare of their elders."

"A Japanese diet will be provided and patients' activities will include entertainment, reading and arts and crafts centered on Japanese culture," said Moriguchi.

A fund-raising campaign based on five-year pledges is currently under way to raise \$500,000, of which \$300,000 is for the purchase of the property, \$100,000 for capital improvements and \$100,000 for operational expenditures. Nearly \$240,000 has already been received in contributions and pledges from organizations, churches and individuals in this area.

It is planned to enlarge the facility in order to establish day-care and outpatient services to residents in the Japanese community. According to the 1970 census the Japanese population of King County was 13,492, of which 1,385 were age 65 or over.

The nursing home is currently being refurbished and redecorated to ready it for occupancy sometime late this summer. Russell T. Akiyama has been appointed administrator of the home. He was formerly employed by the Office of Nursing Home Affairs, Health Service Division of the Department of Social and Health Services.

Volunteers Needed

There has been a concerted effort by many faithful volunteers to prepare the Keiro Home for the first patients. More volunteers are needed to help paint the patient rooms. If you wish to volunteer your time and talents, please call the Seattle Keiro Home at 325-0771.

During the weekdays, there will be free coffee and pastry provided and on Saturdays, there will be free coffee and lunch provided. If an interest is shown in volunteering on Sundays, arrangements will be made to open the building.

Seattle Keiro Home is now recruiting key personnel to prepare for the opening of the home. Bilingual persons are needed immediately for the following positions: ~~Director of Nursing Services~~, Activity Director/Volunteer Coordinator (A Registered Occupational Therapist is preferred but not mandatory), and a Head Cook. If interested in any of the positions, please call 325-0771.

ANOTHER INTERNATIONAL DISTRICT HOTEL SET TO CLOSE ITS DOORS

The International District Housing Alliance (IDYC) has learned that the New Central Hotel, located at 657 S. Weller, will close its doors on Aug. 5. The hotel was closed due to financial reasons--the manager couldn't afford to run the hotel any longer. All residents in the building have been given their eviction notices by the landlord, who possibly has "other plans" for the structure. Currently, the IDHA is helping to relocate the thirty residents to other residences in the ID. Most have been relocated, but the number of vacancies in the area is very low.

This is just one step further down the road of destruction of the ID - one step further by Big Business and our government to replace residents/small business community with expensive

HOTEL CLOSURE (Cont'd): hotels, restaurants, office complexes, etc. - which won't help the elderly and poor! The trend is more clear than ever before.

Please report any vacancies in hotels in the area to the IDHA--we are still helping to relocate New Central Hotel tenants.--I.D.H.A. newsletter

GOLDEN ANNIVERSARY REUNION FOR TAIYO ATHLETIC CLUB

The Taiyo A.C. hosted on July 17 the various athletic clubs in the Japanese community Seattle environs of the 20's, 30's and the 40's to rekindle the glorious Nikkei sports world of that era.

The Nisei Veterans Committee Memorial Hall was crammed beyond the 300 mark in one of the more successful ventures of its kind. This was a happy crowd, congenial, and full of warmth. Everyone was so friendly. There were opportunities for visiting and renewing acquaintances. The walls were bedecked with nostalgic photos. There were scrap books with sports clippings and one entirely in Japanese newsprints. The foods were excellent as were the musical entertainment by "Polynesian Playmates." Toraichi Sao led the "Kamaboko" talent show.

The evening ended too soon with reunion chairperson Salty Mizuta leading the "Auld Lang Syne" finale. On Sunday the event shifted to picnic at Johnson's Hi-Dive Resort as guests of NVC. Roy Sakamoto led the golfers at the Sahalee Country Club.

Chair Yoshito Mizuta was assisted by the committee including Kenji Kawaguchi, Tad Kuniyuki, Shozo Kiyomizu, Roy Sakamoto, Kenjiro Yamada, Shiro Iwana, Mits Abe, Joe Nakatsu, Lefty Ichihara, Toraichi Sao, Tad Kuniyuki, Matt Yorita, and Halfy Mayeda.

There were many whose journey was long to attend the mecca of the Golden Jubilee. Included were George Ogishima, Tokyo; Mrs. Sato Ogasawara, Yokohama; Mrs. Martha Miyauchi Ito, Honolulu; Mr. and Mrs. Tom Kogane, Anchorage; Yurino Takayoshi, Takoma Park, Maryland; Mr. and Mrs. Setsuo Morioka, Belleville, Mich.; Dr. and Mrs. Vic Nakashima, Dubuque, Iowa; Joe Hirabayashi, Evanston, Ill.; Dr. William Akahashi, Boulder, Colo.; Masako Takayoshi, Denver; Judy Neumann, Forest Park, Ill.; Masao Kawaguchi, N. Hollywood, CA; Mr. and Mrs. Frank Ishida, South Gate, CA; Mr. and Mrs. Tats Yorita, N. Hollywood, CA; Sekio Hoshide, Alhambra, CA; Roy Nakagawa, Sadayoshi Masuda, Mrs. Kay Takayoshi, Jiro Mochizuki, all Los Angeles; Harry Yanagimachi, South Bend, WA; Kats Nakayama, Portland; Mr. and Mrs. Norio Wakamatsu, Spokane; Mr. and Mrs. Sumio Tai, Spokane. Many others came from Tacoma, Fife, Sumner, Auburn, White River, Bellevue and other parts in the Puget Sound area.

Among the honored guests were Mrs. Misao Sakamoto, widow of the famed publisher of the Japanese American Courier, the late James Y. Sakamoto, who sponsored many athletic leagues for the kids and youths of the community and Mrs. Frank Fukuda, widow of the former peerless baseball coach of the Taiyos and the Wapato Nippons. Also present as guests were Mrs. Linda Kimura, daughter of the founder of the Taiyo A.C., George Ishihara, and Mrs. Tyrus Okada, daughter-in-law of the late Ban Okada, long time leader of the Taiyos.

HISTORY OF THE TAIYO ATHLETIC CLUB

from the Golden Anniversary Reunion Souvenir Booklet

Interest in the national pastime of baseball during the early 1920's saw intense rivalry between the Asahi and Mikado teams. By 1926 team rosters changed and the rivalry continued under the banners of the Taiyo and Nippon Athletic Clubs. George Ishihara was the founder of the Taiyo Athletic Club and guided the organization through 1927 and 1928. Enthusiasm spread to the younger players who were able to obtain the support of Mr. Ban Okada. He was instrumental in getting the financial backing of Mr. George Y. Nishimura, a prominent salmon cannery contractor. Thus the original Taiyo Cardinal team came into being.

The Taiyo Juniors team was formed in 1928 from a nucleus of players from sandlot teams known as the R.F. Giants, Indians, Asahi Cherries, and Asahi Midgets. Later the same year, the Dearborn Huskies joined the club as the Taiyo Cubs. At our peak in the mid 1930's, with a roster of 120 members, the club fielded 5 baseball teams, 3 football teams and 3 basketball teams. They competed in Japanese American Courier sponsored leagues, Inter-City, Inter-District Class B, Independent City, as well as the 4th of July and Labor Day Baseball Tournaments.

The highlights were the annual 3 game baseball play-off series for the Japanese Community supremacy between Taiyo and N.A.C. The first teams also squared off for the football championships. The baseball schedules were expanded to include inter-city competition with Vancouver, B.C. Asahis, Portland Ossies, Wapato Nippon and the Spokane Seinens. Games were also booked with visiting college teams and also the Tokyo Giants professional team.

Kengakudan Tours

Through the untiring efforts of Ban Okada, educational tour groups were formed and visited Japan in 1930, 1933, 1936 and 1939. Most of the groups played baseball games against leading high school and trade school teams. A Taiyo Girls Club was formed in 1935 to promote educational tours. Ban Okada arranged girls' tours to Japan in 1935, 1939, 1940 and 1958.

During its active period, the club sponsored fund raising Shibais at the Nippon Kan Hall in 1929, 1934, 1935 and 1937. Social events included picnics at Rolling Beach, Lake Geneva and Star Lake. Teams also held skating parties at the RollerDome and the Ice Arena. Later groups sponsored dances at Washington Hall, Merrick's Broadway Hall and at Eagleson Hall. With the passing of the years, interest in sports changed. With older members taking up golf and fishing, only one baseball team was entered in league competition in 1941.

Behind the scenes thru all the years, Mr. Jack Ishii not only took care of countless details for the club, but became a second father to many of us, providing valuable counseling for our boyhood problems. Club interest was reactivated in the post-war period with reunions every 4 years starting with a banquet at Gyokko Ken in 1960; a dinner dance at the Edgewater Inn in 1964; a "Virginia V" boat cruise on Puget Sound in 1968; a social at NVC Hall followed by a picnic at Covenant Beach in 1972. A Taiyo group took in the Japan Olympics in 1964.

FROM THE BOARD (Cont'd): was given to Dr. Gordon Hirabayashi in his historical fight with the curfew law. Matsumoto gave recognition to Tomio Moriguchi who finished two years as National JACL Treasurer. Sharon Maeda was able to make arrangement to show the production "Justice Overdue" over Sacramento TV during the confab, although it was aired at 11:30 p.m. It will be shown again, hopefully, on prime time. As analyzed from P.C. reports, the Seattle delegates have made impressive impact considering the amount of quotations from the Seattle delegates. We congratulate the delegates for having done their home work and to make significant stance.

Mailout for JACL newsletter: Mailout continued on schedule in spite of the summer season with students on the campus on vacation from studies. Present July 14 were: Becky Sasaki, Kim Sasaki, May Sasaki, Gary Matsudaira, John Matsumoto and Henry Miyatake. Many thanks for helping.

REPORT TO THE CHAPTER BY THE E.O.C. COMMITTEE:

It is a constant source of the "good feeling" that comes from working and being associated with many of the people at E.O.C. A good administrator gets the work done with the least amount of fanfare leaving everyone concerned with a relaxed and comfortable atmosphere. One who is quick to recognize the contribution of his staff, ready to assume the responsibility for some "boo-boos" and not making wholesale-lot of excuses. It was our pleasure to have had Jerry Shigaki as our Project Pioneer Coordinator and we have continued "to GROW" because of him. As of June 30, 1976 Jerry left the project leaving Margaret Kihara, Tuyen Pham, Milton Wan, Annie Tat, and Tessie McGinnis to continue the work left by him. GOOD LUCK, Jerry-- whatever your future endeavor! BEST WISHES from a grateful board!

The State of Washington ECONOMIC DEVELOPMENT SERVICES COUNCIL has approved our proposal for the "CHANGE CAREERS" project--approximating \$90,000 for a 12 months period. We are awaiting a final signature from Gov. Dan Evans. EOC Board member Art Yorozu is active on the EDS Council. We are also pleased to announce that the 1976-1977 Dept. of Human Resources Block Grant for EOC has been approved by the City Office of Policy and Planning. EOC continues to go forward under the leadership of Bob Krisologo and his staff.

P.S. The Board gratefully acknowledges receipt of \$100 from the JACL. Domo arigato!

Respectfully submitted, Sam Shoji, Art Yorozu, Keiji Sato

The people of CIC cannot do it alone!!! All Federal Civil Service Employees can and should become involved in this effort to get Title 5 amended.
