Some of the startling things that he spoke about were the unwisdom of savings because of inflation and taxes, the greater yields of a variety of bonds, new wrinkles in real estate investments, hazards of the stock market, etc. It was highly informative and made most take a hard look at their current status and consider other, more lucrative alternatives.

25TH BIENNIAL NATIONAL CONVENTION

The 1978 National JACL Convention will be held in Salt Lake City, Utah, July 17-23, 1978. Host chapters, Mt. Olympus and Salt Lake City, will chronicle the achievements of JACL in their 1978 Silver Anniversary Convention Booklet, which is to be mailed to each JACL household. To help defray part of the costs, each chapter has been asked to pledge \$1.00 per member through a raffle sale. Hiro Nishimura, raffle chairman, reminds everyone to send ticket stubs and money by June 5 to CONVENTION, Seattle JACL, 316 Maynard So., Seattle 98104. 1st Prize - Toyota Corolla; 2nd Prize - trip for 2 to Japan, and many additional cash prizes.

One of the features of the National Convention will be to commemorate the former relocation centers. Masao Tsukamoto, President of the Pocatello-Blackfoot Chapter, reports that his chapter would like to see a memorial erected at the Hunt Relocation Center, with a pilgrimage planned either before or after the Convention, and requests suggestions, information, photographs, films, documents that could be used for a display at the Convention. Tsukamoto's address is Rt. 1, Box 121, Blackfoot, Idaho.

Tsukamoto reports that at the Hunt Relocation Center site, there is a small area on which remains of the old guard house are still standing, which is federal property. Contacts have been made with Senator Church to inquire as to the possibility of having the area declared a national monument site. As an alternative, Tsukamoto says, if the request is denied, they will ask that the property be deeded to the Idaho Historical Society which has expressed willingness to establish the site as a state monument with appropriate highway markers.

MILESTONES (cont.): Memorial services were held in March for Mrs. May Herd Katayama, 84, at the Japanese Baptist Church. Affectionately known as "Mrs. K.", Mrs. Katayama served the church for 50 years, coming to work at the Japanese Baptist Church in 1928. She attended the Baptist Missionary Training School in Chicago and was the last of the missionaries sent to Seattle church by the American Baptist Churches.
