
 NO MEETING IN AUGUST

 GO TO CONVENTION

LAST MONTH'S COMMUNITY PICNIC was a great success due to the efforts of all of you who pitched right in and helped. The income was \$435.00; expenses \$379.10, leaving a balance of \$55.90 for a head start on next years picnic. Publicity chairman Elmer Ogawa devoted his full column to the "Supercolossal Picnic", even to including a picture, in the latest edition of PC. It seems that over 1000 people attended; how can we make it bigger next year?

TREASURER KIYO TADA reports a midyear balance of \$911.71; we're still solvent. We need ideas for money-making, though. If you know of a good way to make money for the club, bring it up at the next meeting.

THIS MONTH HAS NO MEETING scheduled, but you can make up for that by going to the National JAACL Convention which meets from August 31st. through September 3rd. at the Sheraton-Palace Hotel in San Francisco. Plans for the Chapter meeting in September include a detailed report from our delegates to the convention. October plans for a political rally are under the co-chairmanship of William Y. Mambu (Democrat) and Kelly Yamada (Republican).

SENATOR Henry Jackson made a speech on the Floor concerning the evacuation claims bill. A copy of this is included with this month's bulletin. Read it carefully; it affects you and your friends.

SATURDAY AND SUNDAY NIGHTS, August 4th. and 5th, the Japanese Community participated in the Seafair activities, with the Bon Odori. Although, as an unintentional coordination, the Bon Odori does not get very much publicity in the Metropolitan papers, it was well attended by the community itself.

PROGRESS IS BEING MADE financially for the establishment of the Japanese language school. The quota of 10,000 dollars has nearly been reached and plans are to open this fall in the 1414 Weller St. building. Dr. S. Fukuda and Dr. Kelly Yamada are in charge of operations.

JAPANESE COMMUNITY - J.A.C.L. - GOLF PICNIC
 Lake Wilderness - July 8, 1956
 1:00 P.M.

DONATIONS
