by Tak Kubota

For the benefit of our prospective members and, perhaps, even our loyal membership, who year after year as regular sustaining members, support our local and national organization it is necessary to remind ourselves of the purposes of our Japanese American Citizens League.

The Japanese American Citizens League is an educational, civic, and patriotic organization which promotes, sponsors, and encourages projects, programs and activities which shall be designed to further and encourage every member to perform faithfully his duties and obligations to the United States of America.

The organization and its members shall uphold the Constitution of the United States, laws of the land and the several states.

We find in our society those who feel that we are now accepted why should we have a Japanese American organization. A simple answer to this question is because we are an identifiable minority and we cannot as individuals set ourselves apart from the problems of the

The President's Corner

By Dr. Terrance M. Toda

We, who are the newly elected officers and Board of the JACL Seattle Chapter, have accepted responsibilities for the organization in 1964.

Seattle is the pioneer chapter of our national organization, which now has 89 chapters throughout the United States. Membership, nationally and locally, is one measure of the strength of any organization, but an active membership and active chapter in any area is what gives vigor and meaning to JACL.

Each of us who are members have chosen to be so because we believe in the purposes of JACL. In order to give membership real meaning, we must be acquainted with one another. This means that if we work together, play together, laugh together, and even cry together, we will find fellowship with each other, develop a feeling of unity and the ability to accomplish or achieve our mutual aims.

We propose to have programs during 1964 which will include social, sports, recreational, study, and other events as well as activities which help us to carry out our duties as responsible American citizens.

Many of us are new to the responsibilities of the offices we hold. We sincerely solicit help and support during 1964 from our members, one and all!

Joyce Hoshino, U. of W. Senior, awarded scholarship

The University of Washington Department of Physical Therapy has awarded Joyce Hoshino, daughter of Mr. and Mrs. Lake Hoshino, the Vocational Rehabilitation Administration Scholarship as one of the four outstanding senior physical therapists in the department. The VRA scholarship (sponsored by the U. S. Department of Health, Education and Welfare) includes \$205 towards tuition, and a \$1,000 cash award.

A 1959 graduate of Garfield high school, Miss Hoshino plans to work in California after her graduation this summer.

Nisei vets stage reunion

Seattle will be hosting more than 500 out-of-town delegates and their families from Hawaii, Alaska, California and other parts of the mainland this summer during the all Nisei Veterans Reunion on July 31, Aug. 1-4, 1964.

The reunion is being sponsored by the Seattle Nisei Veterans Committee with Shiro Kashino as general chairman, and Joe Nakatsu and Albert Ichihara, assistant chairmen. Reunion headquarters will be established at the Olympic Hotel.

Some of the highlights of the reunion program include a dinner-dance and entertainment at the Grand Ballroom of the Olympic, a memorial service at the Memorial Plaza, and a picnic and a barbecue salmon dinner at Pine Lake resort. An all-day cruise aboard the Canadian Pacific Princess Liner and a sightseeing trip in picturesque Victoria, B.C., are also included in the reunion package.

The reunion dates were selected to coincide with other events and attractions in Seattle since most of those planning to attend have indicated that they are bringing their family members with them. The colorful Seattle Seafair festivities will be in progress with parades, bon odori and exciting water events; the World's Fair attractions with its 600-foot high Space Needle and revolving restaurant, the monorail rides, and the Pacific Science building are all at the Seattle Center; and other Northwest activities will all be in full swing. Visitors have always included the majestic Mt. Rainier and Olympic Mt. tours, the world-famous "floating" bridges on Lake Washington, and the Government Locks as "musts" while in Washington.

Reunion officials want you to tell your out-of-town friends and relations about the forthcoming reunion, and to plan to spend their vacation here with you this summer.

For brochures and questions regarding the reunion, inquiries should be directed to the '64 Nisei Veterans Reunion, 1212 So. King St., Seattle 44.

Dance club party

The monthly JACL Dance Club party will be held Friday, February 14th, at the Serbian Hall on Beacon Hill from 9 to 12 o'clock. The party will carry out a Valentine theme with Nachi Hayashi in charge of general arrangements and Carl Hart providing the music.

Wedding notes

Miss Helen Nakanishi, longtime secretary to Toru Sakahara, past president of the Seattle JACL and immediate past chairman of the PNDWC, exchanged marriage vows with Mr. Sam I. Kawaguchi of Clearfield, Utah, in an evening ceremony on February 1st at St. Catherine's Church.

Helen is the daughter of Mrs. Kimi Nakanishi and Mr. Kawaguchi is the son of Mr. and Mrs. Eikichi Kawaguchi of Utah. The bride attended the University of Washington and the groom is a graduate of the University of Utah.

The newlyweds will make their home in Sacramento, California.

Phil Hayasaka writes—

(Ed. Note: Phil Hayasaka is Exec. Secy., Human Rights Commission.)

Seattle is a cosmopolitan city made up of people of every race, color, religion, ancestry and national origin. Eight per cent of our citizens — or one person in twelve — belong to one or another of the minority groups. All have contributed to the development of Seattle.

During the past six years, 26 governmental jurisdictions have adopted some sort of fair housing legislation: 13 states, 12 cities and the Virgin Islands. Over 40% of the total population of the United States live in areas which prohibit discrimination in private housing.

Today, Seattle faces a challenge — an opportunity to act positively and constructively, while there is still time for reason to operate. We can be spared from the bitterness and hatred that has engulfed other parts of our country.

As responsible citizens, it's up to us. The problem will not go away by ignoring it, or hiding from it. What do we do about it, . . . and us?

Purpose of JACL

(continued from page 1)

rest of the group. Because we cannot escape from being judged as a group it is important for us to have an organization that promotes the good image of the Japanese American. Public acceptance of this image results in a more rapid and lasting integration.

We would also like to remind you that in our struggle for the major legislative battles we have built an effective national organization which is the envy of many other minority groups. While it's true that the major issues of the time have been successfully gained, we do have many smaller ones which are current and others that suddenly crop up. In addition, a national organization such as ours attracts political aspirants much more than individual scattered groups and we can work more effectively with them to our benefit.

We believe that we warrant your support because JACL is the only organization working in the serious political field for the Japanese American. Politics, even on a non-partisan basis, is something that affects our everyday life. We have a direct pipe-line into Congress, White House, State Legislature wherever our chapters are located. This is also true of our local government. Aside from the above all important program, we try to fill the needs of the local community in other areas not covered by other Japanese American organizations.

In the vital area of Civil Rights we strongly advocate that the only way to secure our rights on a permanent basis is to secure the rights of all Americans.

It is obvious in this hustle and bustle of everyday life that many of you cannot personally attend meetings and participate actively in the local programs. However, we hope that you can, at least, support the organization with your membership.

## CLEVELAND HIGH NEWS

Pacing a tremendous amount of news concerning the activities of the past five school months into this column, and also keeping up to date was a lot to write but here are a few of the important achievements.

The scholarly students really hit the books to earn the following semester grades: AAAAA—Ann Sado, Karen Shimomuta; AAAAB—June Baba, Michael Eguchi, Gladys Mihara, Valerie Nishimura, Jm Otoshi, Daryl Watanabe; AA-ABB—Vicki Imamoto, Kathy Mayeda, Mike Morishima, Sandi Shomi, Jan Taketa, Joanna Uchida.

AAABC—Tony Abe, Phil Kato, Oli Kinomoto; AAAA—Susan Kihara, Rob Okada; AAAB—Kay Hayashi, Ken Mayeda; AAAC—Amy Okazaki; AABB—Paul Nishimura, Darlene Uchida; AAA-ABBB—Dianna Uchida; AABBB—Bruce Hirahara, Jeff Kano, Beverly Kondo, Susan Kuniyuki, Allen Muramoto, Barbara Suyama; AABBC—Alan Harada, Chana Nishimura.

Yell leader Kenny Furuta is really roaring the Eagles to the top! Helping him by getting the peppy sophomores 100% behind the team is Steve Shimamoto who was just recently elected sophomore class vice-president.

September's Girl of the Month was Susan Kihara who is also a contestant in the Scholastic Arts Award contest. Her abstract painting of an ear was entered along with an abstract painting by Jim Otoshi under the direction of Mr. Frank Fujii, art teacher.

Each month the Girls' Club selects a Sunshine Girl and the Boys' Club selects an Eagle of the Month (usually a hard working member of the Boys' Club cabinet). Those chosen in the past were Vicki Imamoto, Dave Imanaka, Barbara Iwata and Kippy Tokuda. Kippy was also announced sports editor of the annual.

Cleveland's Quill & Scroll (national honorary society of journalists) held a progressive dinner with Mardi Fujiyama, Jan Taketa and Margie Uno attending. Mardi was also co-chairman of the prom decorations committee; June Baba is the co-chairman of the prom programs committee.

Next month discover who the officers and various chairmen are, plus the latest happenings!

## Nisei women meet Mrs. Henry Jackson

Bush Garden was the scene of a lovely buffet luncheon on Saturday, Jan. 11, when almost 200 Nisei women and Caucasian friends gathered to meet Mrs. Henry M. Jackson, wife of the junior senator of the State of Washington.

Mrs. Jackson, in a brown and black suit with beautiful orchid corsage from University Flowers, stood in the receiving line with Mrs. Toru Sakahara who was in charge of general arrangements, Mrs. Kelly Yamada, who later introduced the guest of honor, and the Senator himself who left early.

Mrs. Jackson charmed the audience with her little speech of appreciation.

Helen Eugenia Jackson attended Vassar and graduated from Scripps College. She received her masters degree in literature from Columbia University. The Jacksons met when she was receptionist for Senator Clint Anderson of New Mexico. They make their home in Everett and maintain an apartment in Washington. Their pride and joy is Anna Marie who at 11 months old has already been chosen to reign as queen of the Cherry Blossom Festival in 1980.

Youthful dancers from Hatsune-kai under direction of Mme. Nakatani presented two numbers for the group.

Among those assisting Mrs. Sakahara with luncheon arrangements were: Mrs. Juro Yoshioka, entertainment; Mrs. Frank Hattori, guest book; Mrs. Ai Chih Tsai, name tags; Mrs. Hiram Akita, tickets (assisted by presidents of Nisei women's groups); Mrs. Henry Tatsumi, punch bowl; Mrs. Mitsugi Noji, coat checking; and Mmes.
